

DROP OFF & PICK UP DIAGRAM AND INSTRUCTIONS

Drop Off and Pick Up Instructions

1. You may drop your children off in lane one as long as you are not stopped for more than 20 seconds. Should your child need more time, please park in the parking area and students may enter through the safe zone.
2. Children have the right-of-way at all times.
3. All parents are fully responsible for their children in the parking lot and must sign a liability waiver and return the form to the office. Waivers are available on line or at the school office.
4. No parking at any time is permitted in lane one.
5. If parents are making a quick pick up after school, you may use lane one. Parents who need to come into the building or get out of their car must park in the designated parking area.

Parking Lot Liability Waiver

The parking and traffic regulations have been designed to provide for the safe coexistence of children and motor vehicle traffic. The school administrator or designated personnel is authorized to enforce established vehicle and parking regulations. Any vehicle entering the school is subject to current traffic and parking regulations. We respectfully request that you adhere to all regulations and posted traffic control devices, or direction from authorized personnel. Parking is not permitted in lane one.

Although the school has taken reasonable precautions, DCCS and Deer Creek Christian Church and its affiliates are not responsible for children after they have left the building. Parents have full responsibility to personally escort their child into the car and ensure their safety. DCCS and Deer Creek Christian Church also do not assume liability for lost, stolen, or damaged property.

I have reviewed the drop off and pick up procedures and diagrams. As a parent or guardian I understand my responsibility and agree to follow posted procedures for the safety of DCCS children.
